RESPONSE

Mail Stop Amendment
Commissioner for Patents
PO Box 1450
Alexandria VA 22313-1450

In response to the Non-compliant Amendment notice mailed on October 21, 2005 Applicants elect Claims 1-14, 21 and 22 of Group I. The Examiner has stated in the previous Restriction Requirement that Figures 2C, 2A, and 2D contain different species. Applicants direct the Examiner to paragraph 17 of the present specification where Figures 2A-2D are described as including one continuous method and not separate species. If the Examiner still desires that Applicants elect a "species" in Figures 2C, 2A, and 2D, Applicants elect the species of Figure 2A with traverse. If the Examiner believes that personal contact would be advantageous to the disposition of this case, he is requested to call the undersigned at his earliest convenience.
